

PETRONAS Education Sponsorship Programme (PESP)

Since 1975, PETRONAS has awarded education sponsorships to more than 35,000 deserving students possessing high academic caliber. This was and still is pursued passionately by PETRONAS which continues to display a consistent appetite for innovation and a proven heart for the community.

The PESP is once again open to Malaysia's most outstanding students to pursue undergraduate studies in oil and gas related fields. Eligible candidates will be shortlisted and assessed prior to final selection.

The sponsorships are open for undergraduate programme at Universiti Teknologi PETRONAS (UTP) and Foreign Universities.

1. PESP for UTP

Successful candidates are required to complete 1-year Foundation Programme prior to pursuing the Bachelor's Degree Programme

2. PESP for Foreign Universities

Successful candidates are required to complete up to 24 months of Pre-University Programme prior to pursuing the Bachelor's Degree Programme

Eligibility criteria

1. Malaysian citizens aged between 17 - 19 years old in 2016
2. Possess strong leadership skills and active participation (demonstrable) in extra-curricular activities
3. Identify the sponsored programme you wish to study:
